

The Maine Event Timberland Acres RV Park, Trenton, ME

October 6-10, 2016

Join FROG in Maine for a "Down East" seaside and fall foliage adventure!

For centuries. adventurers have been drawn to the rugged coast and the spectacular beauty of Maine.

From the spot where sunlight first touches America each morning, to the beautiful coastline and the highest peak on the Atlantic Coast, you'll encounter a beautiful panorama made all the more spectacular by the splendor of fall foliage.

With adventure, romance, the rock-bound coast and soaring granite cliffs, there is a special mystique to Bar Harbor. Surrounded by Acadia National Park and located at the edge of the sea, Bar Harbor has welcomed visitors for over a hundred years, and now welcomes FROG.

In addition to the spectacular beauty of the area, we'll enjoy a lobster dinner (chicken available as an option) to get an

authentic taste of the seafood for which the area is renowned. We'll share one other meal (details being arranged), as well as a light continental breakfast on one morning.

To help celebrate the 100th Anniversary of both the National Park Service and Acadia National Park, we'll enjoy a tour of Acadia National Park and learn about its history, wildlife, and its impact on the area. On a cruise from nearby

Bar Harbor we'll experience the park and marine wildlife from a completely different perspective.

There will also be free time in the schedule to allow you to explore the quaint seaside village of Bar Harbor and some of the surrounding communities.

Only 50 sites are available, so sign up early to get in on the fun!
